QUALITY EQUIPMENT PARTS

Reduce your operating costs

from Australia's largest supplier of aftermarket parts

Ground Engaging Tools

A comprehensive range of edges & end bits, teeth and adaptors, lip shrouds, ripper boots and tyres to suit all makes and models of loaders, excavators, dozers and general earthmoving, mining and construction machines.

Crusher Wear Parts

A wide range of quality crusher wear parts to suit most machines. Castings are manufactured in a variety of materials including manganese steel, alloy steel and ductile iron.

Wearplate

Wear resistant products including wear plate, Tungsten Longlife Coating and white iron block & bar. Our CC1500 wearplate will outlast quenched and tempered steels by up to 12 times and white irons by up to 4 times.

Mining Products

Products for the mining industry include wearplate, apron feeder pans, Cutting Edges' patented ground engaging tools locking system incorporating Dynalock, R-Lock and Dynaclamp, and track shoes for a variety of machines.

Engine Parts

Quality engine parts for most brands of machinery and trucks, including rebuild kits, crankshafts, camshafts, compressors, and water pump kits. Professional service, competitive prices and off the shelf availability.

Machine Parts

Quality replacement parts to suit most machines including pins & bushes, hydraulic seals & pumps, brake components, oil & water pumps, fuel pumps and power train components. Comprehensive warranty on all parts.
