

## CATERPILLAR WHEEL LOADERS

Professional service, competitive prices and off the shelf availability

Cost effective, quality parts with a comprehensive warranty

### BUCKET WEAR PROTECTION

Wing Shrouds  
Corner Shrouds  
CC 1500 Wear Plate  
TLC Component Protection  
Chok Bar & Blocks

### BUCKET CONTROL

Pins and Bushes  
Seals  
Lever Arms  
Links

### BUCKET EDGES

Bolt On Edges  
Arrow Head  
CC1500 Wear Plate  
TLC Component Protection

### BUCKET WEAR PADS

Skid Plates  
TLC Component Protection

### BRAKES

Discs and Plates  
Pads  
Seal Kits  
Duo-Cone Seals

### EXHAUST SYSTEMS

Engine Pre Cleaners  
Mufflers and Pipes  
Exhaust Extensions  
Rain Flaps

### ENGINE

Crankshafts and Bearings  
Camshafts  
Pistons, Rings and Liners  
Water, Oil, & Hydraulic Pumps  
Pulleys and "V" Belts  
Gasket Kits  
Filters and Injector Nozzles  
Compressors and Parts

### DIFFERENTIAL

Gears  
Spiders  
Bushes  
Supports

### TRANSMISSION

Gears  
Shafts  
Discs  
Bearings  
Gasket Kits

### FINAL DRIVE

Shafts  
Gears  
Bearings  
Seals

### HYDRAULIC CYLINDER

Seal Kits  
Lock Nuts  
Rods

### HYDRAULICS

Vane Pumps  
Steering Pumps  
Cartridge Kits and Shafts  
Seal Kits  
Hoist Pumps

### DRIVE LINE

Universal Joints  
Slip Joints and Yokes  
Shafts

### MISCELLANEOUS

Starters and Alternators  
Decal Sets  
Switches  
Lights

## QUALITY EQUIPMENT PARTS

*Reduce your operating costs*  
from Australia's largest supplier of aftermarket parts

### Ground Engaging Tools

A comprehensive range of edges & end bits, teeth and adaptors, lip shrouds, ripper boots and tynes to suit all makes and models of loaders, excavators, dozers and general earthmoving, mining and construction machines.

### Crusher Wear Parts

A wide range of quality crusher wear parts to suit most machines. Castings are manufactured in a variety of materials including manganese steel, alloy steel and ductile iron.

### Wearplate

Wear resistant products including wear plate, Tungsten Longlife Coating and white iron block & bar. Our CC1500 wearplate will outlast quenched and tempered steels by up to 12 times and white irons by up to 4 times.

### Mining Products

Products for the mining industry include wearplate, apron feeder pans, Cutting Edges' patented ground engaging tools locking system incorporating Dynalock, R-Lock and Dynaclamp, and track shoes for a variety of machines.

### Engine Parts

Quality engine parts for most brands of machinery and trucks, including rebuild kits, crankshafts, camshafts, compressors, and water pump kits. Professional service, competitive prices and off the shelf availability.

### Machine Parts

Quality replacement parts to suit most machines including pins & bushes, hydraulic seals & pumps, brake components, oil & water pumps, fuel pumps and power train components. Comprehensive warranty on all parts.
